FOOD SAFETY AND QUALITY POLICY

Açaí Amazonas is committed to:

- Promote a culture of food safety and quality by complying with applicable legislation and meeting stakeholders' needs.
- Safeguard the health of consumers who use our products.
- Produce and market safe, high-quality food through controlled processes.
- Make continual improvements to products, processes, and employee training.
- Work toward measurable objectives, communicate effectively, and learn continuously to ensure food of unquestionable quality and safety.
